EDUCATION

Doctor of Philosophy in Engineering and Public Policy
Carnegie Mellon University
August 1996
Thesis: Privacy and Reliability in Internet Commerce

Masters of Science in Electrical Engineering
University of North Carolina at Charlotte
August 1991
Thesis: Free Space and Guided Wave Optical Interconnects

Bachelor of Arts in Mathematics & Bachelor of Science in Electrical Engineering
University of North Carolina at Charlotte
May 1989

EMPLOYMENT

Associate Professor
Informatics
Indiana University
Bloomington, IN
August 2004 – present.

Associate Professor
Kennedy School of Government
Harvard University
Cambridge, MA
May 2002 – July 2005.
(on leave, 2004 – 2005)

Assistant Professor
Kennedy School of Government
Harvard University
Cambridge, MA
November 1997 - May 2002

Research Assistant
Department of Engineering and Public
Policy
Carnegie Mellon University
Pittsburgh, PA
August 1993 - August 1996

Research Assistant
Software Engineering Institute
Computer Emergency Response Team
Carnegie Mellon University
Pittsburgh, PA
May 1993 - August 1993

Research Assistant
Information Networking Institute
Carnegie Mellon University
Pittsburgh, PA
August 1991 - May 1993

Patricia Harris Fellow
Optical Interconnects
& Computer Generated Holography Laboratory
University of North Carolina at Charlotte
Charlotte, NC
August 1989 - August 1991

Assistant Electrical Engineer
Catawba Nuclear Station
Duke Power Company
Rock Hill, SC
August 1988 - August 1989

HONORS

President of the International Financial Cryptography Association 2003.
Board of Governors, IEEE Society for the Social Implications of Technology, elected 2003.
Visiting Professor, Erasmus University, summer 2003.
Visiting Scientist, Laboratory for Computer Science, MIT (spring semester, research leave)
Dean's Leadership Committee, Carnegie Institute of Technology 2002 - 2004.
Review Committee, National Science Foundation CAREER Program 2001.
Editorial Board, International Journal of Technology Policy and Management 1999 - present.
IEEE Committee on Communications and Information Policy (CCIP) 1999 -present.
Member USACM 1996-present.
Research Affiliate, Internet and Telecom Convergence Consortium, MIT, 1999 - present.
Director, Computer Professionals for Social Responsibility 1999 - 2003.
Senior Member of the IEEE, elected in September 1999.
Visiting Professor, Centre for Computing and Social Responsibility, UK, summer 2001.
Renaissance Weekend participant.
Granted Educational Leave with Benefits, Duke Power Company 1989.

AWARDS

NSF Career Award "Design for Values," \$300,000. July 2000 – 2004.
NSF, "Voting Risks," \$12,455. February 2004 – August 2004.
NSF "Digital Identity: The Civic Scenario," \$79,049. January 2003 – December 2003.
NSF Small Grants for Exploratory Research, "The Virtual citizen: Identity, Autonomy and Accountability," \$22,536. May 2002 – May 2003.
East Asia Center grant, "A Study of Malaysian Internet and Telecommunications Policy," \$25,000. July 2001 – July 2002.
Provost's Innovation Fund Grant Summer 1999, "Virtual Information Technology Research Center," \$25,000. January 2000 – January 2001.
Dean's Research Fund, KSG Harvard, "Development of an Information Technology Policy Curriculum," \$10,000. January 1999 – January 2000.
co-PI on original proposal for National Center for Digital Government, Harvard University. Project lifetime funding of more than thirteen million. (Currently the Center is housed at University of Massachusetts at Amherst, headed by Jane Fountain. No current affiliation.)
Awards under \$10,000 not listed.

PATENTS

Patent Number 6,317,729: Anonymous Certified Delivery with SET.
Patent Number 6,076,078: Anonymous Atomic Transactions.
Provisional Patent, Peer Production of Security Information.

PROFESSIONAL ACTIVITIES

Editorial Board, International Journal of Technology Policy and Management, 1999-present.
Editorial Board eJETA.org: Electronic Journal on E-commerce Tools and Applications.
NSF Panel Reviews and proposal reviewer, CISE 2001 - 2004.
NSF Education review panel 2005.
NSF Reviewer, Decision, Risk and Management Science Program, 2003.
Economic & Social Research Council Reviewer, United Kingdom, 2003- 2004.
Reviewer: Communications of the ACM, IEEE Transactions on Computing, Mgt. Science, etc.
Organizing Committee: IEEE CCIP "The Evolution of the US Telecommunications Infrastructure over the Next Decade," Ithaca, NY, 1999.
Program Committee membership listing available at <http://www.ljean.com/cv.html>.

EVENTS ORGANIZED

- “The Fourth Workshop on Economics of Information Security”, a peer-reviewed event June 2005, 2004 Kennedy School of Government, Harvard University (Cambridge, MA)
Chair and organizer.
- “The Voting, Vote Capture, and Vote Counting Symposium” a one day event on design of process, technology and their interaction in voting universal access. June, 2004 Kennedy School of Government, Harvard University (Cambridge, MA).
Chair.
- ”Identity: The Civic Scenario” a two day workshop on the role of identifiers in digital government. April 2003 Kennedy School of Government, Harvard University (Cambridge, MA).
Chair and organizer.
- CPSR Annual Meeting 2002. ”Shrinking World, Expanding Net: Designing Technology for Developing Nations” a one day event on design for universal access. October 2002 Kennedy School of Government, Harvard University (Cambridge, MA)
Chair and organizer.
